**2) UPDATE ON LA CIENEGA PARK AND RECREATION COMPLEX.**

Assistant City Manager Nancy Hunt Coffey and Principal Architect from Johnson Favaro, Jim Favaro, recommended that the La Cienega Park and Recreation project be divided into at least two construction phases. Phase 1 would encompass the construction of a new Community Center plus gymnasium, aquatics center, and indoor and outdoor tennis facility on the west side of La Cienega Boulevard. Phase 2 would encompass field improvements on both sides of the street. This liaison meeting explored the development of Phase 1, the Community Center and building facilities on the west side of the park.

Staff agreed to propose suggested phases and to present them to the Recreation and Parks Commission, the Community and City Council, as proposed.
